Office of the Commanding General

Dear Neighbors:

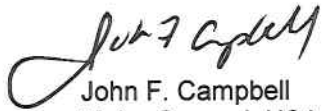

My deepest sympathy goes out to each of you impacted by last weekend's storms. I have personally seen some of the flood devastation and as a neighbor and friend I am truly sorry for your loss.

We are blessed to be surrounded by so many great communities in both Kentucky and Tennessee. It amazes me to see how you come together to help one another. I am inspired by your community leaders as they demonstrate true resiliency during this time of need. I have contacted and encouraged many of them during this endeavor.

On behalf of the Soldiers and Families here at Fort Campbell, our thoughts and prayers continue to be with each of you during this difficult period.

AIR ASSAULT!

Sincerely,

John F. Campbell
