Patient Sex		Cases		% of Cases		<div><div>Please note for hospitalizations:</div>Information about hospitalization status is gathered at the time of diagnosis, therefore this information may be incomplete. This number indicates the number of patients that were ever hospitalized during their illness, it does not indicate the number of patients currently hospitalized.</div>

Please note, these data are meant to provide a rough estimate of testing volume. Due to different source data, numbers may differ slightly from day to day. Laboratory reports of positive cases are reported to metro and local health departments as soon as results are available. State numbers are updated at 2pm daily and there may be a lag in the reporting of cumulative numbers at the state level.
